3 Ways Portal Searching Works

1. Basic Search: The search box will search this group of databases: eLibrary Curriculum Edition, ProQuest US Newsstream, SIRS Knowledge Base and World Book Student together

2. Advanced Search will allow users to select their own combination of databases to be searched at one time.
Note: Remember to click on Clear Checkmarks to delete previous database selections.

3. To search a single database, begin your search with Databases by Title, or Databases by Subject or Student Resources K-8 or Student Resources, Junior Hi and Up
