Staff members present were State Librarian Jennifer Chilcoat, Deputy Director Kristen Cooke, Brooke Crawford, Jenn Wann, Sarah Lipsey, and Jaynie Browne. Julie Chavis from the Office of the Attorney General and Daniel Shults from the ADE Legal Department were also present. Chilcoat welcomed Chief Huggs of Capitol Police.

Knox called the meeting to order at 10:00 a.m. The first item of business was the approval of the minutes from February 9, 2024 [A1]. A motion for approval was made by Peña de Martínez, seconded by Campbell. The motion passed.

Brooke Crawford, Administrative Services Manager, covered items in Tab B, beginning with an update on the current vacant positions. The number of authorized staff is 49, and the agency's budgeted staff number is currently 45. The current staff is 36 full-time positions and 1 extra help position with 2 shared services positions and 9 vacant positions. Our appropriation bill was passed in the fiscal session and is now Act 57. Servers were moved to DIS West, and migration was completed by Ken Giesbrecht on April 23. The Bessie Moore Conference Room has had new microphones installed to enhance the voice capabilities of Zoom. Crawford completed her report with a brief overview of the State General Revenue [B2] and the Federal LSTA Revenue [B3] spreadsheets.

Chilcoat reviewed Tab C, containing the Standards for State Aid to Public Libraries [C1], the Rules Governing Distribution of Scholarship Assistance [C2], and the Scholarship Assistance Application form [C3].

Debbie Hall, Manager of Grants and Special Projects, gave her report [D1]. The FFY22 State Program Report has been reviewed and accepted by IMLS. The federal grant award beginning October 1, 2024, is \$2,517,781. On March 26 - 29, Senior IMLS Program Officer Dennis Nangle made his quinquennial site visit to increase his knowledge of ASL's use of LSTA funds. Attached to Hall's report is a letter of appreciation from Nangle [D3] and an agenda from the Showcase of LSTA projects [D4] presented to him during his visit by ASL staff.

Chilcoat presented a Memorandum of Understanding between John McGraw and Lonoke County Libraries [E1]. This is an agreement that John McGraw will provide consulting services to the Director of the Lonoke County Libraries until the director receives her MLS, in order for the library system to retain its eligibility for State Aid. A motion was made by Campbell to approve the Memorandum of Understanding between John McGraw and Lonoke County Libraries, seconded by Bales. The motion passed.

Chilcoat reviewed Public Library Systems Qualifying for State Aid [E2], noting any changes during the past quarter. A motion was made by Peña de Martínez, seconded by Campbell, to approve the list. The motion passed.

A motion was made by Campbell, seconded by Smith, to approve the list of recommended FY2024 State Aid Fourth Quarter Payments [E3]. The motion passed.

Scholarship applications [E4] were presented from Hailey Beliew of Faulkner County Library, Emma Ellis of Fayetteville Public Library, and Kylie Sloane Lott of the Independence County Library. A motion was made by Smith, seconded by Bales, to approve the applications. The motion passed.

The Recommendation for Scholarship Assistance [E5] was presented, requesting reimbursement for eight recipients' coursework. A total of 49 hours were completed for a total cost of \$12,050. A motion to approve the list was made by Peña de Martínez, seconded by Campbell. The motion passed.

State Librarian Jennifer Chilcoat gave her report [F1]. Chilcoat attended a meeting of the Joint Budget Committee in early March. Following the conclusion of Crosby Kemper III's four-year term, IMLS Deputy Director for Library Services Cyndee Landrum has been appointed as IMLS's Acting Director. ASL's appropriation for FY2025, Arkansas House Bill 1028, has passed and been sent to the Senate.

Deputy Director Kristen Cooke began her report [F2]. The annual public library survey closed on April 19, 2024. The 2024 Survey was collected through a new platform for the first time and Cooke conducted 134 survey related consultations. Cooke will begin the federal verification and submission process after the closure of the state collection period. On March 7, Kristen Cooke, Deborah Knox, and David Branscum attended meetings with US Congressmen and Senators to discuss and report on the utilization of federal funding in Arkansas's public libraries. Approval was granted to advertise the vacant positions of Information Services Manager and Statewide Sharing and Outreach Coordinator.

Jenn Wann, Manager of Library Development, began her report [F3] with an update on the circulating Solar Science Kits during the period May 2023-April 2024. During that period, a total of 45 kits were borrowed and 169 Solar Science Programs were held, with a total number of 3,239 participants. Wann shared positive feedback from a participant of the ALL-In workshop. A virtual All-In session on Storytelling will be held on April 16.

Wann covered [F4] on behalf of Karen O'Connell, Coordinator of the Arkansas Center for the Book. IMLS will grant funding to Centers to attend the National Book Festival. Also, COSLA is coordinating Participation Stipends toward local Great Reads author events. The permissions have been provided for the 2024 Arkansas Gems selected titles.

Gregory also collaborated with Arkansas digital skills stakeholders and the ARSBO regarding the Arkansas Digital Skills and Opportunity Plan.

Wann covered [F6] on behalf of Ruth Hyatt, Coordinator of Youth Services. The committees for the Charlie May Simon Award and the Arkansas Diamond Primary Award have completed the consideration cycle and created a list of nominees for 2024-2025. Hyatt conducted five training sessions for Youth Services staff around the state of Arkansas, with a total of 52 participants.

Wann covered [F7] on behalf of Janine Jamison-Miller, Coordinator of Training and Development. During this quarter, 41 Library Juice Academy Courses were requested, and 37 evaluations have been received. PCI webinars offered 14 live weekly webinars. There were 322 registrations for those sessions, and 1,565 views of archived webinar content during this quarter. Jamison-Miller conducted four in-person, statewide Friends of the Library training sessions for friends, directors, library staff, and liaisons. A total of 40 participants from 15 different libraries attended.

Kristina Hancock, Manager of Arkansas Library for the Blind, began her report [F8] with an update that all BPD patron records have been digitized. Marybeth Wise, our NLS regional consultant, came to visit on March 28-29. Bookshare was recently acquired by BPD and now has 50 subscriptions. This quarter, BPD circulated a total of 88,217 books. Of this figure, 66,966 were by direct mail circulation, 92 were direct mail circulation of braille books, and 21,251 were patron downloads from the Braille and Audio Reading Download (BARD) program. Of the total circulated, around 31 percent were patron downloads. The

MOKA Conference for the Blind will be held in Springfield, MO, May 28-30. Hancock and Natalie Marlin will exhibit library services and give a presentation on BARD 2.0 at this conference.

Cooke delivered the report [F9] for the Information Services Manager position, which is currently vacant. Britni McGuire will be joining the Arkansas State Library on May 13, 2024, as the Information Services Manager. Joanna Delavan, Senior Librarian, attended the 45th annual US Patents and Trademarks Resource Center Program Training Seminar on April 8-11.

Cooke delivered the report [F10] for the Statewide Sharing and Engagement Coordinator position, which is currently vacant. O'Connell, Arkansas Center for the Book Coordinator, met with the vendor for Mockingbird in early April to discuss preliminary plans for annual in-person user training. Information Services staff are collaborating on a resource guide to enhance the reading experience of *The Secret Book of Flora Lea* by Patti Callahan Henry, which is the 2024 selection for If All Arkansas Read the Same Book.

Jennifer Razer covered [F11] on behalf of Sarah Lipsey, Division Manager of Collection Management. On March 4, 2024, Flannery Hirrel filled the Librarian position in Acquisitions. Hirrel will conduct copy cataloging for depository and non-depository collections and will participate in special projects related to collection management. The Symphony ILS upgrades were completed March 1.

Jennifer Razer, Manager of Digital Services, delivered her report [F12]. The State Documents Staff continues to keep digital submissions up to date while new staff are going through onboarding and training sessions to assist with the workload. The processing of physical documents has begun now that all new staff have been fully trained in processing digital publications. Meyer's Senior Librarian training is expected to be completed by June 2024.

Katie Walton, Manager of Acquisitions, covered her report [F13]. Senior Librarian Toshona Carter continues her training in Acquisition procedures and the required OPM training for supervisors. Acquisitions is currently working on purchasing books with remaining state fiscal year funds. Draft contracts from the five Traveler vendors (ProQuest, World Book, InfoBase, Pronunciator, and Bloomsbury) are being reviewed by the vendors for their signatures. The signed contracts will then be entered into ADE's Contract Review System.

Chilcoat briefly covered correspondence [F14] and the current news clippings relating to the library community [F15], the map of the Arkansas Public Library Systems [G1], and the list of Public Libraries of Arkansas by Library Development Districts [G2].

Chilcoat then reviewed the contact info for the State Library Board [H1] and other contacts in ADE, the Governor's Office, and the Attorney General's Office [H2].

The Arkansas State Library Board Bylaws were presented [H3], along with the ASL Board Standing Committee Assignments [H4]. The Bylaws Committee, which consists of Bales, Campbell, and Smith, convened a meeting Friday, May 3, 2024, to discuss an amendment to the Bylaws. The Bylaws Committee presented their proposed amendment to the board and requested approval to have the ADE Legal team review the document and assist with drafting amendment language. Bales moved to approve a request for ADE's assistance in reviewing and correcting the verbiage of the proposed amendment, and Peña de Martínez seconded. The motion passed.

Chilcoat then introduced Mary Perry, with the Arkansas Department of Education. Perry will be serving as the liaison between many different boards overseen by the Secretary of Education.

The section was completed with the staff directory [H5] and the calendar of meetings for 2024 [H6].

Rapert discussed the reports that came back to his previously requested public library survey of holdings for a list of 30 titles. He requested that further discussion of the survey and its included titles be added to the August agenda.

Rapert introduced a motion to suspend all distribution of funds or payments to any library that allows unrestricted access to books or materials that contain sexually explicit, obscene, or pornographic materials to minor children. Bales seconded and asked if the motion would be redundant due to Act 372. After board discussion regarding the status of Act 372 and the authority of the Arkansas State Library Board to dictate conditions for the distribution of State Aid, Rapert made a substitute motion to suspend all future distribution of funds or payments to any library that allows unrestricted access to books or materials that contain sexually explicit, obscene, or pornographic materials to minor children, as described in Act 372. The motion did not receive a second. A vote was held regarding the original motion to suspend all distribution of funds or payments to any library that allows unrestricted access to books or materials that contain sexually explicit, obscene, or pornographic materials to minor children, which was seconded by Bales. The motion failed in a voice vote, and Rapert called for a roll call vote to be taken. Rapert voted "aye." Smith, Knox, Campbell, Bales, Peña de Martínez, and Meridith voted "no."

Rapert made a motion to suspend all distribution of funds or payments to any library actively suing the State of Arkansas or Arkansas taxpayers, pending the final outcome of litigation in State or Federal courts. The Arkansas State Library Board will ultimately decide how to handle disbursement of any withheld funds at the conclusion of any pending litigation. Bales seconded the motion. Bales stated that since we are in a position of authority over the public libraries, making this decision in regard to funds could be taken as coercion or an attempt to legislate. Rapert reiterated his concerns about the materials that are available in libraries to minors, and about the practice of distributing funds to libraries that are suing the state. Peña de Martínez reiterated her concerns about harming constituents by withholding funds to their libraries. The motion failed in a voice vote, and Rapert called for a roll call vote to be taken. Smith, Knox, Campbell, Bales, Peña de Martínez, and Meridith voted "no." Rapert voted "yes."

A motion to adjourn the meeting was made by Campbell, seconded by Peña de Martínez. The motion passed. The meeting was adjourned at 12:13 p.m.

I have applied to my employer for a scholarship grant. I am enrolled in a graduate program in an accredited library school and have completed the first twelve (12) hours credit. Supporting documents are attached. I have agreed to furnish transcripts at the end of each semester as evidence of credits earned, to remain employed in an Arkansas public library for at least one year following grant of aid and to fulfill any local requirements. Dear Regional Board of Trustees,

Since 2023, I've had the opportunity to enroll at Emporia State University to pursue a master's degree in library science with an emphasis in informatics. I have always been interested in information studies, and I felt that getting a degree would provide me with the skills I would need as things became more digital.

I am confident that, as technology becomes increasingly important to understand how to use, the informatics specialization will give me valuable skills that will benefit the Arkansas River Valley Regional Library System.

For the time being, I want to continue working at the Johnson County Branch of the Arkansas River Valley Regional Library System until a better opportunity arises at a university in Arkansas. I intend to comply with all conditions for scholarship help.

Thank you so much for your time and consideration of my application to the Arkansas State Library Scholarship Assistance Program.

Sincerely,

Tyler-Jay Gale

Dear ASL Board,

I am pleased to recommend Taylor Genser for the Scholarship Assistance Program through the Arkansas State Library.

I have had the pleasure of working with Taylor for the past year at the Rogers Public Library. Taylor has worked as a Library Assistant in the young adult department, designing and hosting programs for teens, providing reader's advisory, and assisting the Teen Librarian with marketing materials and collection development. I have been impressed with Taylor's dedication to the teens in the Rogers community. Her creative energy has been reflected in the programs that she has designed for teen library users, and she has succeeded in building an increased attendance over the past year. In one recent conversation with Taylor she expressed how happy and relieved that she was to see her teens return to library programming after services had been halted due to tornado damage to the building.

Taylor's creativity, commitment, and passion to serve will certainly make her a valuable asset as a Youth Services Librarian.

Respectfully,

Hannah Pearce, Director

To the Arkansas State Library,

My name is Taylor Genser and I am currently enrolled in an MLS program through the University of North Texas. My love for libraries started at a young age when my mom brought me to story and craft time at my local library. By the time I was in high school, the library had become my favorite place and I was volunteering once a week in the children's department just to spend more time there. I graduated college with my degree in Elementary Education and spent a few years teaching before I discovered that I loved to teach students and build relationships with them, but I was sacrificing those aspects to fit into the structure of traditional school. It occurred to me that I could take these pieces of teaching that I loved so much and take them outside the classroom and into my favorite place to be– the library.

I am currently working part-time at the very library that my mom used to take me to my whole childhood. I get to work with the teens at my library, a deviation from my original plan, and it has become the best part of my life. I love building relationships with the teens who come in looking for a place to call home. I get to teach them how to be lifelong learners while supporting them in whatever they need. For some of my teens, the library is the only where they are checked in on and listened to. It has been my honor to be a trusted adult for them. This job has reinforced my desire to become a full-time librarian who can make a difference in these teens' lives. It is for this reason that I am pursuing my Masters in Library Science and seeking a scholarship from the Arkansas State Library. I plan on taking this opportunity to create a safe and engaging place for Arkansas teens to learn and grow.

Sincerely,
Taylor Genser

Library Statistics Working Group (LSWG)

It was a pleasure to work with my LSWG colleagues on continuous improvement of the IMLS's Annual Public Library Survey (PLS). It's a challenge to keep up with the rolling calendar of activities that keep the PLS moving forward, such as recommending new data elements, developing those data elements so that they are statistically sound, voting on data elements for inclusion and deletion, conducting cognitive interviews on new data elements, drafting and approving research papers, etc. Elements for consideration during this meeting are primarily being developed for the FY2026 survey, which will go up for a vote in August 2024 and, if approved, will appear on the survey our libraries receive for completion in early 2026.

ADE Summit

As a Division of the Arkansas Department of Education, ASL participates in the annual ADE Summit each summer. The Summit offers enrichment for teachers, administrators, technology personnel, and student support staff. In addition to participating in monthly planning meetings throughout the year, I also served as an ambassador for the conference. Katie Walton presented two Traveler sessions at the Summit, as well.

Board Member Email Addresses

Over the coming days, each board member will be given an ADE email address to use for conducting board business. This is to enhance your ability to maintain a boundary between your work on the board and your personal email activity. Ken will be sending out instructions on setting up your account, and he will be available to assist you if you should have any difficulties.

Onboarding and Human Resources

Changes to our onboarding process are temporarily on hold. The Arkansas Department of Education adopted a shared services model for HR within its divisions in June. New employees to the agency will now receive their first-day training with other new ADE employees. A new curriculum for that ADE department-level orientation is coming soon, and we will resume our work on agency-specific onboarding needs once that is in place.

Public Library Data

Arkansas data generated from the annual PLS (Public Library Survey) was due to the federal IMLS (Institute of Museum and Library Services) portal on July 19, 2024. After the submission, the data will enter a multi-year data validation, imputation, and publication schedule before appearing in the publicly accessible IMLS Search and Compare tool (<https://www.imls.gov/search-compare>). Once data has been preliminarily accepted by the IMLS portal, the Arkansas State Data Coordinator will begin creating need-responsive data summaries and a general data summary. During the Fall, training will be offered to library-level data submitters on the 2024 survey instrument and reporting tools within the survey platform.

The incoming funding available through the federal BEAD (Broadband Equity and Access and Deployment) program has highlighted the need for reliable data from public libraries as anchor institutions. The State Data Coordinator and the E-Rate Coordinator have begun amending current data elements on the PLS and identifying information needs that are not currently met within the context of the PLS.

In response to needs of the E-Rate Coordinator in conjunction with the Arkansas State Broadband Office, 2022 public library data was utilized to supplement and contextualize the current state of broadband access and use at public libraries. Insights from that data are provided in the table below.

Twenty-five libraries in various geographic regions reported speed test download speeds of less than 50 MBPS with a mean attendance of 37,794 patrons annually. The range was 210,916 annual visits at the highest of the 25 libraries and the lowest was 409 visits. These libraries also report that they cannot afford the increase in cost even if a greater speed is available. The data seem to reinforce the idea that libraries need at least 1G to deliver services *irrespective* of attendance.

Another notable insight emerged from 17 libraries that provide services to citizens in the Arkansas Delta. Among these 17 libraries, the average annual attendance was 39,137. That falls slightly short of the average attendance of the 25 libraries in regions with better access to infrastructure reporting DL speeds of less than 50MBPS; these data reveal that libraries providing services to citizens in the Arkansas Delta are busy and severely lacking the access they need.

Interestingly, seven libraries reported speed test results indicating 1G download speeds while also reporting their current connectivity to be insufficient. The list of seven includes larger library systems such as the Mid-Arkansas Regional Library's main library in Malvern and smaller ones like the Farmington library. All seven of those libraries also have fiber connections. In this list again, we see that physical attendance is not necessarily proportional to the connectivity speed needs. The increasing landscape of digital library services requires that libraries have higher connectivity speeds to deliver services beyond basic end-user internet connectivity and public access.

KPI	COUNT

Departmental Staffing

Each of the department/project managers that report to the Deputy (Information Services, Library for the Blind and Print Disabled, Library Development, and Statewide Sharing and Engagement) are all now staffed within the leadership roles. Recruiting concluded for the position of Statewide Sharing and Engagement Coordinator. The position was offered to Taylor Hart McKinney, who will begin August 19, 2024. McKinney has worked in public and academic libraries and is currently pursuing an MLS (Master's Degree in Library Science).

Karen O'Connell, who has functioned as interim Coordinator for Mockingbird, has been instrumental and is continuing to aid in the transition after McKinney arrives. In the first few months of McKinney's employment focus will be on updating libraries to the staffing change, system training, and orientation to existing procedures and workflows within the Virtual Union Catalog.

Arkansas BEAD Digital Opportunity Conference

Representatives from the Arkansas State Library attended the Arkansas State Broadband Office's BEAD Digital Opportunity Conference. The conference provided insight into the legislative intent, implementation strategy and timeline for BEAD-related funding. Panelists include state and federal leaders within the broadband space. Presentations at the conference provided information useful to the amendment and expansion of data needed to benefit public libraries during this opportunity.

The 2024 National Book Festival theme is Books Build Us Up. The Arkansas Center applied for and has been awarded a participation stipend to attend the National Book Festival. Additionally, a local programming grant to connect Arkansas’ Great Reads selections with the National Book Festival theme has been awarded to the Arkansas Center. The Coordinator will host 2024 Great Reads authors Eli Cranor and Cathy Melvin, and Et Alia Press owner and director Erin Wood, via Zoom on August 13 at 4:00 p.m.

Book Club Project

Attendance reports indicate 994 book club readers from April through July (to date), with July statistics still being submitted to the Center. From April through July, 153 book club kits went out, with 1,836 books provided.

Arkansas Gems

The poster and bookmark designs have been completed, and printing is underway. The project remains on schedule for posters and bookmarks to debut on August 24 at the National Book Festival.

If All Arkansas Read the Same Book

As of the writing of this report, three of the four If All Arkansas Read the Same Book events have taken place (Gravette, Arkadelphia, and Conway). Although final audience count is not yet calculated, there were approximately 175 attendees at the events so far. Readers enjoyed Patti Callahan Henry’s presentation about her journey as an author as well as the “story behind the story” that inspired *The Secret Book of Flora Lea*. Our host libraries were fantastic, and Patti Callahan Henry wrote to us about how amazing it was to connect with our Arkansas readers. In addition, the events brought literary tourists to Arkansas: a group drove 120 miles from Springfield, MO and a couple visited from Wichita, KS (240 miles away from the Gravette event). The final event will take place on August 8 at the Independence County Library in Batesville, which will be a hybrid event with a virtual visit from the author.

Upcoming Events:

August 8	IAARTSB Gathering of the Book Clubs
August 13	Books Build Us Up: 2024 Great Reads from Arkansas
August 24	National Book Festival, Washington, D.C.

The Arkansas State Library (ASL) is collaborating with the University of Arkansas Division of Agriculture Research & Extension (Extension) and the Arkansas State Broadband Office (ARSBO) regarding the Arkansas Digital Skills and Opportunity Plan and efforts to include libraries in the implementation of the plan. Two virtual Digital Skills focus groups were held with Arkansas public libraries, ASL, and Extension to brainstorm ideas about statewide digital skills training. In person meetings were held with two library systems to discuss their existing digital skills training models and statewide scalability of these efforts. On June 25, the E-Rate Manager attended the BEAD Digital Opportunity Conference in Hot Springs, AR to take part in discussions about statewide broadband deployment and the benefits of broadband adoption in agriculture, economic development, and telehealth.

There have been 9 Library Leadership and Management course requests, 10 Library Support Staff course requests, 4 Early Childhood course requests, and 2 Library Director/Administration course requests.

The decision to sunset support for Library Juice Academy was made in May. LJA support was added to the agency's Continuing Education offerings in November 2021 through funding received as a part of the American Rescue Plan Act (ARPA) Library Relief funds. LJA courses allowed library workers an opportunity to develop new skills and increase professional knowledge during the height of the pandemic. A nominal amount of funding has been set aside for library staff who need to complete the Library Leadership and Management certificate, Library Support Staff certificate, and Early Childhood Literacy certificate.

People Connect Institute (PCI) Webinars -- Since the last board meeting, PCI Webinars has offered 9 live weekly webinars. There were 251 registrations received, 86 live weekly participants, 1123 views of recorded archived webinar content, and 27 evaluations were received.

PCI continues to receive positive feedback from participants; webinars are held weekly on Wednesdays at 1 p.m. All library workers in the state of Arkansas have access to the weekly webinars as well as on-demand access to the entire archive of PCI webinars.

Friends of the Library

Friends of the Library chapters in the state of Arkansas, along with all nonprofit corporations, are required to file an annual report with the Secretary of State's office by August 1st of each year. The Coordinator sent reminder information to Friends groups and library directors ahead of the deadline.

Mockingbird Virtual Union Catalog (Statewide Resource Sharing)

The Arkansas Center for the Book Coordinator met with White County Library staff on piloting the circulation of book club kits in Mockingbird. We established what elements would be important to include in the descriptive metadata and also which participating libraries already have records for book club kits. Once the new Coordinator is on board, we will follow up to determine which participating libraries overall would be interested in sharing book club kits throughout the state. In addition, interviews took place for the Statewide Sharing and Engagement Coordinator.

Manager of Arkansas Library for the Blind - Kristina Hancock

The Library for the Blind is wrapping up our current Braille recycling process for the current Xess cycle. We will Xess again in October to finish up emptying the movable shelving on the first floor.

We are working with Emily Powell Carpenter of ADE to create a logo for the Library for the Blind so that we can create promotional materials for marketing and promoting services.

CIRCULATION

In the Federal fiscal year from October 1, 2023, through June 30, 2024, the Arkansas State Library's Library for the Blind program circulated a total of 121,769 books. Of this figure 89,255 were by direct mail circulation, 126 were direct mail circulation of Braille books, 32,514 were patron downloads from the Braille and Audio Reading program (BARD). Patron downloads accounted for around 26 percent of total circulation. Circulation of books through Duplication on Demand accounted for 99 percent of all direct mail circulation.

READER INTERACTION STATISTICS

For the Federal fiscal year, October 1, 2023, through June 30, 2024, our Reader Advisors had a total of 21,591 patron interactions. 1,213 of those interactions were phone calls received. 1,203 were emails received and responded to. 1,500 were voicemails received and responded to. 1,855 were new patron outreach calls and 9,693 were work follow up interactions. Work follow up includes curating a book order for a patron and searching for and providing reference information.

BARD (Braille and Audio Reading Download) READERSHIP

There are 1,078 Library for the Blind readers registered with the National Library Service for the Blind (NLS) BARD program. Of those patrons, 416 actively download digital audio and braille books and magazines. In the first half of FY 24, those patrons downloaded 32,514 BARD books and read them on 1,997 registered Apple and Android mobile devices. The free Apple App enables BARD books to be downloaded easily to an Apple iPhone, iPad, or other mobile Apple device. The free Android App enables users to download books directly to any Android device with an OS of 4.1 or higher.

OUTSOURCING BRAILLE

On July 1 of 2018 the Library entered into a contract with the Utah State Library for the Blind in Salt Lake City Utah to provide circulation of Braille books to Arkansas patrons. ASL continues to provide limited Braille service directly from its holdings as available, but with declining circulation, only 126 Braille books circulated since FY 24 began.

UPCOMING TRAVEL

September 9, 2024 - September 13, 2024

Kristina Hancock and Natalie Marlin will be traveling to the National Library Service 2024 Biennial Conference in Washington, D.C.

Information Services

Departmental Changes

Over the last few months, I have spent time examining our current services compared to other state libraries along with current usage patterns of our patrons to look for opportunities for growth in Information Services. I am looking at ways to develop a service delivery model that is more reflective of state employee usage patterns and information needs. Some of our goals for the department going forward are to increase usage and engagement with state employees, provide staff with professional development opportunities to better the patron experience, and realign staffing roles to make better use of our resources and improve service delivery.

In May, we shifted interlibrary loan article requests from our Library Support Assistant, Jeremye Hall, to our Reference Librarian, Joanna Delavan, to offset the library technician position that has been vacant since August 2023. This shift has improved workflows and provided a mechanism for cross-training when ILL staff are out.

At the end of June, we received approval to fill the currently vacant library technician position. Since we have already shifted ILL responsibilities, we had the opportunity to rewrite the functional job description for this position to better suit the needs of Information Services. Rather than being the primary person responsible for interlibrary loan, this position will now assist with a wide variety of tasks such as serving as backup circulation technician, compiling statistics for Information Services, assisting with the triage of reference inquiries as needed, and various other tasks to better assist our patrons.

Statistics and Usage

April-June usage showed typical patterns with a slight uptick in reference requests in May and June.

On-Going Projects:

Digital Repository Platform Migration

The migration of ASL’s digital repository from CONTENTdm to Preservica is complete. The subscription to CONTENTdm will cease in October, but all public-facing URLs have already been updated to point clients to Preservica.

To follow-up the migration, we are planning a URL validation project. This will ensure all links to our state and federal digital documents are accurate, functional and accessible from the online catalog.

State Documents Depository

Webpages in the [State Documents Depository](#) portion of the ASL website now reflect our migration to Preservica, the promotion of Lanette Meyer as state government’s primary contact for the Documents Depository program, and the current guidelines associated with the program’s governing rule. We are finalizing additional webpages to publish, including information on Arkansas’ Retention Schedule and FAQ pages tailored to citizen and state agency audiences.

We are anticipating how the Bureau of Legislative Research (BLR)’s Code of Arkansas Rules project will impact our own acquisition procedures for agency rules pursuant to A.C.A. §25-15-204(e)(1)(B). We look forward to working with BLR and the Secretary of State’s Office toward a streamlined process that is convenient for state agencies and ensures we receive all adopted rules for our collection.

Inventory projects for the physical documents collection will be executed over the year, to run concurrently with the URL validation of the digital documents. During the inventory, the Digital Services unit will also perform related record corrections and assess each item’s physical condition. We’ll use the assessment to set priorities for future digitization and preservation activities within the collection.

Traveler Statewide Digital Resource Collection

After the contracts for the 2024-2027 subscription period were formally approved, I worked with Manager of Acquisitions Katie Walton to ensure all relevant information on the ASL website has been updated to reflect the new collection, promotional resources, and upcoming training opportunities. Access to the new collection began on August 1, 2024.

Ongoing Projects

Digital Services

The migration to our new digital repository, Preservica, is complete. Division Manager, Sarah Lipsey, has replaced CONTENTdm with Preservica as our public-facing digital repository on the website. Razer continues to organize the collection to enhance the user experience. Several new resources have been created for the website to assist users with understanding the rules of the depository programs and record retention. Resources created include Frequently Asked Questions for both agency liaisons and depository library staff, record retention guidelines, and guidance for new federal documents depository coordinators.

State Documents Depository and Clearinghouse

The State Documents staff continues to work to keep digital submissions up to date while new staff are going through onboarding and training sessions to assist with the workload. Senior Librarian, Lanette Meyer continues the training for Digital Services Librarian, Evelyn Uptigrove-Sartin while Razer serves to guide and advise as necessary.

State Documents statistics for this reporting period are as follows:

Arkansas Documents Publications				Arkansas Rules Digital Publications	
New digital titles	Total digital titles	New print titles	Total print titles	New titles processed	Total titles processed
55	3,302	59	153	45	44

Digital Services staff continue to be available to external state agency staff who have questions regarding their document submissions, and we provide liaison training upon request. Staff also reach out to agencies to request that our gov-docs email account be subscribed to distribution lists for news releases and other applicable documents for inclusion into the State Documents collection.

[Shipping list 415 and 416](#) were sent out to depository libraries. Staff chose to highlight the Arkansas Department of Agriculture and their documents that were collected during this period. One program of note is the Farm to School and Early Childhood Program which connects schools, local growers, and the community to food and farm education experiences paired with healthy, locally grown food. A selection of documents that were added to the digital collection are included below:

Completion of the survey is a requirement to participate in this program. Etchison created resource guides which include Frequently Asked Questions to assist new depository coordinators acclimate to their role and better understand the requirements of the federal documents program. Etchison continues to support depository library staff with questions related to the transition of a digital FDLP.

Manager of Acquisitions -Katie Walton

On-Going Projects:

Acquisitions

Acquisitions staff successfully closed out the fiscal year. We cancelled several titles at the beginning of the fiscal year to address rising costs. This also gave us enough funds for a one-time purchase from BioOne. The BioOne Complete Archive includes more than 20 years of biological, environmental, and ecological research from over 100 scientific publishers. This collection is available to State Employees and will be of particular interest to the Arkansas Game & Fish Commission and the Arkansas Division of Environmental Quality.

In addition to end-of-year closeout processes, all Acquisitions staff have successfully completed their annual Procurement training. All Acquisitions staff have completed all eight Procurement courses offered by OPM at least once, which can be time-consuming in the first year. Completing all eight courses is more than is often required; however, while most staff won't be negotiating or discussing contracts, our frequent interactions with vendors made this the preferable course of action.

Arkansas Digital Library Consortium

There are currently 103,871 titles in the shared collection- 72,577 eBooks, 25,903 audiobooks, and 5,391 magazine titles. As of July 17, there have been 369,891 checkouts during the last quarter by 37,386 users. ADLC's OverDrive representative, Andy Bucher, will make a site visit in August to meet with ADLC member libraries. During this meeting he will offer a comparison of our collection and usage statistics against similar sized libraries and offer suggestions to better serve our patrons.

In the upcoming months, we will begin collecting funds to pay for the digital magazine subscription. This has been a highly cost-effective way to offer digital magazines to patrons. There have been over 150,000 magazine checkouts in the last year for a total cost of \$30,000.

Arkansas Traveler Statewide Resources

All the Traveler contracts have been approved by ADE and signed. This was a very time intensive process, but ultimately, we are happy with the result. Manager of Acquisitions, Katie Walton, is now working with BiblioBoard and the Traveler vendors to create the geo-authenticated links and institutional accounts for schools and libraries. Katie and Sarah Lipsey have been updating the State Library website where necessary and preparing for the upcoming changes on July 31. This includes updates to the collection, gathering new training materials, and updating promotional materials.

In the upcoming months there will be several training opportunities hosted by Katie Walton and individual Traveler vendors. Details for ABC-Clio and Infobase webinars are still being worked out, but the sessions with firm plans are listed below. Added events and additional session information can be found on the State Library's Events webpage. All sessions are virtual unless otherwise noted.

Rogers Public Library offering limited services despite building being closed to the public

by: [Christina Randall](#)

Updated: Jun 24, 2024 / 09:56 PM CDT

ROGERS, Ark. (KNWA/KFTA) — The Rogers Public Library’s building may be closed but people can still use its services.

“We just have patrons place holds on items, and then we notify them when they’re ready to pick up and they pull up to the front of the building, give us a call, and we take their items out to them,” said Hannah Pearce, library director.

Pearce says the staff began telling people about the many programs the library is still offering not long after the tornado hit.

“We began attending the Rogers Food and Art Market the weekend after the tornado,” said Pearce. “We wanted to hand out summer reading logs, prizes. And, we did hand out free books that were donated from the Friends of the Rogers Public Library store.”

Pearce says the library has reopened different services one step at a time.

“We opened our book Drops First, and then when we received power in the building, we started offering curbside pickup,” said Pearce.

Castor Choat is an assistant librarian at the Rogers Public Library. The library hosted a make-your-own Pokemon session for kids on June 24 at the Rogers Historic Museum.

“I’m really glad that we are still able to do our programs and get out into the city to connect with people. I’m really glad that we were able to adapt so quickly,” said Choat.

Pearce says even though the team is ready for the public to be back in the library building, safety is the top priority.

“We just want it to be safe for everyone. But we do want to remind everyone that we’re still here. They can still use us,” said Pearce.

*Thank You
for your kind expression of sympathy.*

Dear Director Chilcoat,

July 11, 2024

you may recall meeting me while I was working in the Governor's office from 2018 - 2023, as Senior Counselor and District Representative. I believe we made contact during the census.

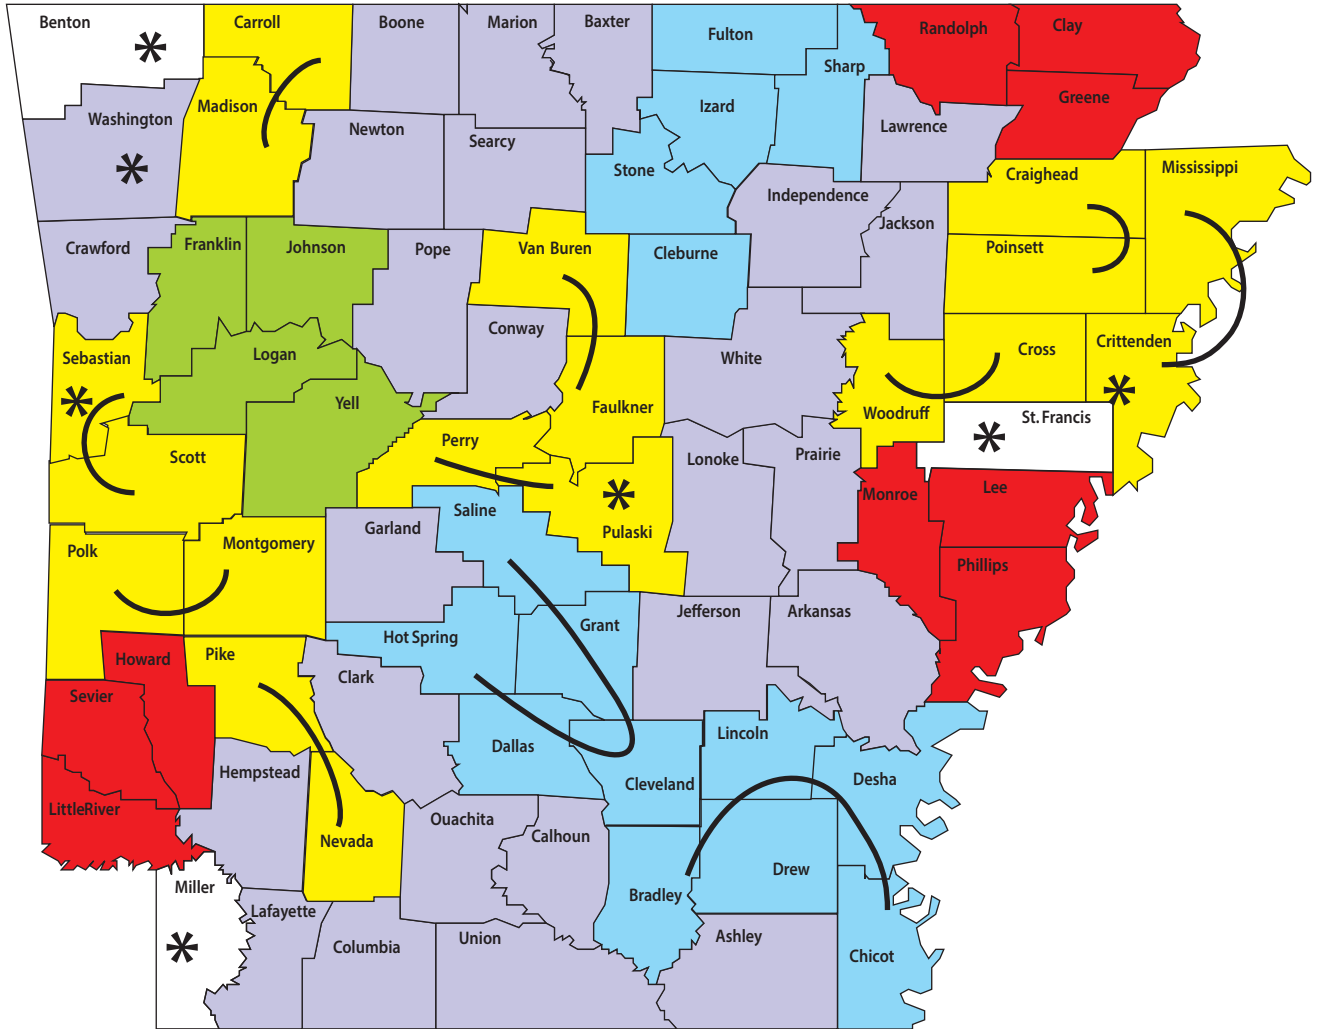

Thank you so much for honoring my mother in this very special way. I have fond memories of attending a couple of meetings with her at the State Library

Building in Little Rock.

It is also ironic that my first public appearance as a member of the Governor's staff was speaking at the groundbreaking of the new Jefferson County library in Pine Bluff, where my mother was serving on the local board. My mother valued libraries and made sure we did too. Thanks for your continued leadership and service.

Warmest regards,
Handie A. Bell, Esq.
